- ❑ Report all existing and new models, discontinuations and corrections via CCMS

# Welcome to CCMS

Welcome to the Compliance Certification Management System (CCMS), managed by the Appliance Standards Program.

This on-line system permits manufacturers and third party representatives to create, submit and track certification reports using product- /equipment-specific templates. All templates include the compliance statement and certification report on a Microsoft Excel spreadsheet. CCMS will automatically record the date and time of your submission and forward it to the appropriate office in the Building Technologies Program. You can use the system to track the status of your submissions and communicate with the program office.

As of May 13, 2011, the new CCMS templates and registration form are available. See the ["Product Templates"](#) and ["Registration and Authorization Forms"](#) for additional information.

Manufacturers, including importers, must use the product-specific templates to certify compliance with the U.S. Department of Energy prior to distributing a basic model to commerce in the United States and annually thereafter. These templates should then be submitted electronically to the Department through the use of the [Compliance Certification Management System](#).

Note: All of the information in the product-specific templates is a reflection of the certification and compliance information that is required to be submitted pursuant to Part 429. It is mandatory that you complete the compliance statement embedded in each product-template before uploading it to CCMS.

# Template Instructions

**Instructions for CCMS Reporting Certification & Templates**

You are currently on the Instructions sheet. Please refer to these instructions when completing the Certification and Input sheets.

Navigation tabs: Certification / Input / Product Description / **Instructions** (circled in red)

Ready

Use your mouse, the "Tab" key and/or arrows on your keyboard to navigate through the fillable fields in both the Certification and Input sheets. If all fields have been completed correctly, the "Status" indicators on the top of the Certification sheet and the top of the Input sheet will show "OK" in green.

- If these indicators read "Error" in red on the Certification sheet, look for an explanation in the column to the right of the entry field.
- If these indicators read "Error" in red on the Input sheet, look for explanations about incomplete/incorrect field entries by looking in the mirrored cells to the far right of the sheet.

Please go to <https://www.regulations.doe.gov/contact-us> if you have any questions about the regulations or need help with the template.
